Right now. Over 40 percent of
dioceses in the United States are
considered home mission territory
because they are unable to fund the
essential pastoral work needed in
their communities. Your support
funds programs, such as religious
education, seminary formation and
lay ministry training, to build
vibrant faith communities here in
the United States.

And also this weekend, July 14-15,
2018, a priest from the Heralds of
Good News will speak to us for
Missionary Co-op weekend.
