Prayer for Protection Against Storms: Oh, God, Master of this passing world, hear the humble voices of your children. The Sea of Galilee obeyed your order and returned to its former quiet. You are still Master of the land and sea. We live in the shadow of a danger over which we have no control: the Gulf. Like a provoked and angry giant, it can awaken from its seeming rest and overstep its boundaries, invade our land and spread chaos and disaster. During this hurricane season, we turn to you, Father, and ask that you spare us from past tragedies and allow the Gulf to remain calm. Amen.
